Our original Brentwood office opened in 1998 in Maryland Farms in Brentwood. As the area grew, so did we and our expansion meant moving to a new location. Today, our office on Isabella Lane is situated perfectly between Brentwood and Cool Springs and is home to over 50 agents.

The office is led by Managing Broker, Gail Wallin Johnson. Gail has 30 years of experience and is a Member of the Nashville Board of Realtors® and Williamson County Board of Realtors®. Our outstanding support staff helps to manage the daily flow of the office, provide assistance to our agents and play a key role in the communication with our clients.

Our agents have the expertise to represent buyers and sellers in all areas of residential real estate including new construction, luxury properties, condos, land, and farms. Our agents work as a team and all operate under a customer focused philosophy. We are committed to making a difference in our industry and our communities. Our agents and staff volunteer their time and service to the Williamson County Association of Realtors® and Greater Nashville Association of Realtors® by serving as instructors and by sitting on various boards and committees. They participate in on-going real estate education courses and many hold professional real estate designations.

We are proud to be major contributors to the Make-A-Wish Foundation of Middle Tennessee which strives to fulfill the wishes of children with life-threatening diseases. Outside of company charity events, our agents and staff are involved in various civic and religious organizations, volunteer at local schools, and contribute to other charities which are important to them. The hard work and generous spirit of the member of our Brentwood office truly make a difference in the communities where we live, work and play.
