Our agents have the expertise to represent buyers and sellers in all areas of residential real estate throughout Middle Tennessee. From new construction and condos, to established neighborhoods and farms...these agents are among the best in the area.

As members of the Williamson County Association of Realtors®, Greater Nashville Association of Realtors® and Southern Middle Tennessee Association of Realtors®, agents dedicate time within the Associations to serve as instructors and by sitting on various boards and committees. They continually complete real estate education courses and many hold professional designations.

Our company, and our agents and staff continuously contribute to the Make-A-Wish Foundation of Middle Tennessee which strives to fulfill the wishes of children with life threatening illnesses. Outside of company charity events, the agents and staff in the Franklin office are very committed to being an integral part of the communities in which they work and live. We are involved in many aspects of the Franklin community, including the Downtown Merchants Association and the Heritage Foundation. Our Office also maintains a Community Outreach Committee which assists various groups and organizations in need of volunteers or financial support. Presently, our office is a corporate sponsor of Bridges of Williamson County, a local domestic violence shelter. A portion of each of our closings goes to this organization to assist in “Building a Bridge to a Safe Tomorrow” for many individuals. Additionally, we are involved in Graceworks, Mercy Children’s Clinic, Paystar Ministries, Mercy Ministries, World Vision, Happy Tails, Special Olympics, Leukemia & Lymphoma Society, Boy Scouts of America, and March of Dimes. Our Agents also belong to various religious and civic organizations and volunteer at local schools.
