## Green Hills Office

We opened April 1, 1992 as Sharon Langford & Associates and became a division of Bob Parks Realty in 1999 and assumed the name of our parent company March 2005. In March 2010 we relocated our office to the prestigious Hill Center in Green Hills. Over 40+ agents are perfectly situated to serve Davidson County and its adjoining areas.

Managing Broker Rusty Moore has been in real estate since December 1996. Prior to beginning his real estate career, he established Moore's Lawn Service and operated this business for 17 years. He is a graduate of Hillsboro High School in Nashville and received a Bachelor of Science in Business Administration from East Tennessee State University. Our outstanding support staff helps to manage the daily flow of the office, provide assistance to the agents and play a key role in communication with our clients.

Our agents have the expertise to represent buyers and sellers in all areas of residential real estate including new construction, luxury properties, condos, land and farms. Our agents are career real estate consultants who continually complete real estate courses and seminars to stay informed about changes and trends in real estate and many hold professional designations.

Bob Parks Realty offers iParks.net, a unique private password protected site where buyers and sellers can monitor the status of their transactions 24 hours a day, 7 days a week.

It is important to us to contribute to our community. Among the organizations we support are WDCN (NPT Channel 8), Vanderbilt Children's Hospital, Martha O'Bryan Center, Tennessee State University, Habitat for Humanity, YMCA, High Hopes, Make-a-Wish and the Nashville Humane Association.
